Little dancers love this enchanting adventure in dance exploration. Children develop rhythm, grace, poise, coordination, and musicality through pre-primary classical ballet, beginning tap skills, tap routines, and improvisations with magical props and adorable costumes. Our dance class enriches your child in five areas of development: physical, creative, social, cognitive, and emotional. Children will receive a gift that lasts a lifetime, the joy of dance!

The dance season will include a Parent Watch day in December and a fun-filled Recital in May!
