

Preschool is Possible

2021-2022 School Year
Priority Registration

Dear BETHESDA COUNTRY DAY SCHOOL families,

In an effort to allow our families the opportunity to enroll early we will begin our Priority Registration process on Friday, February 12, 2021 and it will continue until Monday, March 1, 2021. If you register by Friday, February 19, 2021, you will get 50% off your 2021-2022 registration fee for the upcoming school year. If you register by Monday, March 1, 2021, you will receive 25% off your 2021-2022 registration fee. These offers apply to each child in your family.

In addition to this flyer, you are receiving our new fee schedule for you to complete and submit along with your registration fee amount due on or before 3/1/2021. Any child registered after this date will be charged and owe the full registration fee.

We appreciate how much you trust your child's education here at BETHESDA COUNTRY DAY SCHOOL and we are excited to spend another school year with your family. Should you have any questions, please do not hesitate to contact me.

The perfect balance of learning and play[®]
