Message from the Principal

It's hard to believe but it's that time of the year again – the beginning of a new and exciting school year. Welcome back! We hope your summer was fun filled! We have been extremely BUSY this summer at BCDS preparing for your child's arrival. We have focused on strengthening our teaching team and we are truly proud of each and every one of them.

Our first week of school is going to be great! The children will be transitioning into their new classrooms, making new friends, and adjusting to their teachers and environment slowly but surely. Thank you to all our parents for working so hard with their children to make sure their children started off the school year so well!
