

Teacher & Staff Appreciation Week: May 2nd-6th

Teacher and Staff appreciation is next week! This is a great time for us to recognize the hard work and effort our teachers and Staff put in each an everyday. Spring Education and Bethesda Country Day School Administrative staff will be providing special treats and events for the staff throughout the week, but we are asking for your help as well!

Each day of the week has a different theme and you are invited to incorporate one or more of the themes into what you choose to do for your teachers. We have listed some suggestions you may consider below. These small, thoughtful tokens from you, the families, truly make the teachers week that much more special! Thank you in advance for your contributions. Please let us know if you have any questions.

Thank you,
Ms. Mila, Ms. Brittany, and Ms. Ceci

***** We will have a Teacher potluck donated by our parents on Tuesday... please see the Sign-up genius to donate.**

Monday – Thanks a latte!
